"THE RUBBERNECK"

By Hal E. Roach

The Spat family start out in a rubberneck wagon for a tour of the motion picture studios. They come to a flying field and get into the basket of a balloon to have their pictures taken. The Balloon breaks loose and sails skyward. Tewksbury rescues the family cat from the top of the bag. The Spats finally crash to earth and land in a sand bank with only their legs showing above the ground.
